ATHLETIC CONTRACT

Being part of a school team provides an opportunity to develop athletic skills, demonstrate leadership, and work co-operatively with others as a cohesive unit. It allows students to display their strengths in a particular sports activity where growing as an individual in self-confidence and dedication.

As student participating on a school team is required to maintain his/her academic commitment in the classroom by completing assignments, adhering to specified timelines, and placing as much care and effort into their work as possible. Students are also required to maintain a respectful manner towards staff and fellow students in the classroom and during recess. Students participating in school athletics in or outside of the school, needs to represent themselves and the school in a positive manner and attitude, along with good sportsmanship.

As a student athlete representing Fred C. Cook Public School, you are asked to follow the above requirements in order to participate in any part of the athletic program. Should you have difficulties in any of the areas, please be advised the following are possible consequences:

- Communication between coach and parent throughout the sports season
- Disallowed from a scheduled practice(s)
- Disallowed to play during an exhibition game/tournament (number of games would be determined) Attendance would be permitted at the game at the discretion of the coach
- Disallowed to play during a tournament
- Removal from the sports team altogether

Please print your first and last name below, and provide your signature to agree to this student athletic contract. In doing so, you are making the commitment to upholding the contract terms and representing Fred C. Cook to the best of your abilities.
