Mr. Paul Stevenato
Vice Principal

Dear Parents/Guardians,

As a school we are working to address the incidence of head lice that appears to be a re-occurring issue. As a result, our school will be having 'Lice Squad Canada Inc.' in to screen for head lice on **Wednesday, November 20th, Monday, January 13th and Tuesday, March 25th.** We are asking that each parent or guardian **send \$12 dollars per child (\$4/visit) or \$20 per family** to assist the school in covering the cost of these services. This is a very small price to pay for three separate screening sessions to keep head lice from becoming a problem this year. You will be assured that the Lice Squad will accurately identify lice and any child that is found to have head lice will be given information sheets to take home. They also offer a free information help line should you have any difficulty.

It is our hope that **ALL** students will participate in this program as it will help to avoid frustrating head lice outbreaks. If you do **NOT** want your child to participate, please send a note to your child's teacher. It is strongly encouraged that all students participate in this screening in order to keep the school lice free. Please send in payment (cheque preferred made out to Fred C. Cook Public School) with your youngest and/or only child. We look forward to tackling this problem together and we appreciate your support.

Enclosed is (please circle): \$12.00 \$20.00
