Dear Families of Fred C Cook,

As we return from our Thanksgiving Weekend, we are reminded how grateful we are to be a part of the Fred C Cook School Community. This first month of the 2023 2024 school year has been full of changes to prepare us for a great year of learning ahead. The success of implementing change would not be possible without everyone working together for our students. Thank you for your continued support and cooperation.

We have many great events happening in October. We hope everyone will be able to join us at "Meet The Educator Evening" being held on Thursday, October 19th from 5:30 - 7:00. This evening is for a quick stop by classes to give the students a chance to show families their learning spaces. We will be providing information for families to sign-up for Student-led Conference times in November for individual discussions with staff. Also happening in October is the return of Character Education Assemblies on Oct 19th when we recognize the positive attributes our students bring to the building each and every day.

Please read through the newsletter for more information to stay informed of additional noteworthy items. For weekly information between monthly newsletters, please check your email for our Phoenix Peek At The Week!

Kind Regards,

Mr. Blakeley and Ms. Wright

THE PHOENIX FLYER – OCTOBER 2023

From the Office

To report a student's absence or late arrival please call **1-888-885-8065** prior to the start of the school day at 9:10. When a message is left after the entry bell you may receive a call in regard to your student's absence.

To minimize disruptions, we would ask that you ensure to send your child with a lunch, water bottle, snacks, and all necessary belongings each morning. Dropping off items at the school during the middle of the day will not ensure a timely delivery and there is the possibility of a mix-up.

In addition, to minimize disruptions, we ask that students arrive at school in time for the 9:10 AM bell and remain at school until dismissal at 3:30 PM with the exception being unforeseen situations and appointments.

FCC Eco-Squad presents...Walk n' Roll to School!

Everyday, but especially Wednesdays, we will participate in "Walk n' Roll to School." It is a great way to add fun and excitement to an otherwise typical part of the day - the journey to and from school- while getting our community involved in outdoor physical activity. Walking, biking, rolling, and blading are also great ways to reduce our daily greenhouse gas (GHG) emissions and improve air quality at FCC. The EcoSquad hopes we will encourage you to try out active transportation and think about reducing the number of journeys we make by vehicle. It is our goal to make this event a part of our school plan to achieve **Sustainable Transportation** action to impact and reduce GHG emissions. Our official launch was Oct 4th. Let's get walkin' n' rollin' FCC!!

Take Me Outside Day Oct 18th, 2023

It's time to get outside FCC! We are known as a country for outdoor pursuits and having one of the best backyards in the world, but the reality is we are spending less and less time outside, including younger generations. That's concerning on so many levels, but not least because it is taking a toll on our health and well-being.

Take Me Outside Day is a reminder to do just that. It's an invitation for us to extend our classrooms and beyond four walls and engage in our beautiful school grounds and natural surrounding areas.

Communication to families regarding inclement weather days

Please note that APM A3020 – Inclement Weather, 3.1.2 states that “parents/guardians are to be reminded, in writing at appropriate times (October and January) each school year, that it is their responsibility to decide whether or not it is safe for their child(ren) to leave for school under severe weather conditions.”

Inclement weather and bus cancellation information reminder

All information regarding cancelled buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)'s bus information website at www.simcoecountyschoolbus.ca. Our school is in the **South zone**. When buses are cancelled, schools remain open for student learning, unless otherwise noted. School staff are expected to plan for such emergencies in order to transition students who are unable to attend due to inclement weather, to their online platforms (Google Classroom and/or SCDSBhub [Brightspace by D2L]) and continue with academic programming. It is always a family decision whether or not it is safe for their child(ren) to leave for school under severe weather conditions.

The Consortium and bus operators try to make the decision to cancel school buses before 6 a.m. and make every effort to post announcements before 7 a.m. Inclement weather cancellations are effective for the whole day and buses cancelled in the morning will not run at the end of the day. You can follow the Consortium on Twitter [@SCSTC_SchoolBus](https://twitter.com/SCSTC_SchoolBus) for bus cancellations and other information. You can also subscribe to receive bus delay notifications here:

<https://scstc.ca/Subscriptions/Login.aspx>.

School bus transportation information available from the SCSTC

In order to receive delay and cancellation notifications, families can check the Simcoe County Student Transportation Consortium (SCSTC) website at www.simcoecountyschoolbus.ca or download the 'BusPlanner Delays' app from the Apple or Android app stores to receive delay notifications to their devices. Users would need to select Simcoe County STC as the transportation authority. The app will need to be forced closed, but you will be able to select your student(s) routes or school to receive delays.

The app will send a general notice for any cancellation in Simcoe County. You only need to know which 'zone' you're in, so you would know which one to look out for in the app. You can find your student's zone by visiting the School Bus Status page at www.simcoecountyschoolbus.ca and clicking the dropdown for the area you live in.

October PA Day

Please note that Friday, Oct. 20 is a PA Day for all SCDSB students. Please refer to the 2023-24 School Year Calendar on the SCDSB website for more information:

www.scdsb.on.ca/elementary/planning_for_school/school_year_calendar.

Below is a summary of the activities planned for the Oct. 20 PA Day:

Length: Full day

Topic: Health and Safety, Diversity, Equity and Inclusion, and Mathematics

Host: Simcoe County District School Board

Presenter(s)/facilitator(s): School board staff and school administrators and school leads
Educators will participate in a half-day Health and Safety digital learning session focused on health and safety incident reporting and investigations with a particular emphasis on the essential aspect of workplace violence prevention. The session will equip staff with the knowledge and tools to report incidents effectively and promptly, provide insights into the investigative and risk mitigation process, fostering transparency and accountability, and highlight the critical role staff play in preventing workplace injuries.

THE PHOENIX FLYER – OCTOBER 2023

Educators will learn about Somali, Latino, South Asian, and African Black Indigenous heritage. They will collaboratively plan within grades and divisions. Through this, they will celebrate identities and create environments that foster well-being and sense of belonging.

Educators will choose learning related to the Knowledgehook digital math tool based on their readiness. Different learning pathways have been planned for new users, those with some experience, and those who are ready to extend their use of the math tool. All participants will learn about how to invite parents/guardians to view their child's progress. Additionally, educators will engage in High Impact Instructional Practices in Mathematics learning modules that align with their school's Achievement in Mathematics goal.

School Bus Safety Week and School Bus Driver Appreciation Day

School Bus Safety Week takes place Oct. 16 to 20, 2023. Please visit the Simcoe County Student Transportation Consortium (SCSTC) website at main.simcoecountyschoolbus.ca for information on school bus safety and links to school bus safety resources. Oct. 19, 2023 is School Bus Driver Appreciation Day in the province of Ontario. It's a great opportunity for the school community to thank our bus drivers for all their hard work transporting students to and from school safely.

Get on the move

There are many benefits to walking or wheeling to school. Walking or wheeling to school reduces traffic, helps students establish healthy lifestyles, is better for the environment and enhances community safety. Wherever possible, we encourage students within walking zones to *get on the move* and walk or wheel to school. For more information please visit the Simcoe Muskoka District Health Unit website here: bit.ly/3OC4CJ9

Upcoming in-person Grade 1 French Immersion information sessions

The Simcoe County District School Board (SCDSB) offers French Immersion (FI) at select schools throughout Simcoe County beginning in Grade 1. The goal of the FI program is to enable students to communicate in French with a high level of proficiency, enabling them to function with ease in both English and French.

Information sessions for families who are considering entry into Grade 1 FI for the 2024-25 school year will take place at **Harvest Hills Public School on Tuesday, November 14, 6:00-8:00pm. 400 Crossland Blvd. Bradford, ON L3Z 0G8** and online applications will open in December 2023.

Entry into the FI program will be determined through a digitally randomized lottery system. A link to access the Grade 1 FI online application form will be available on the SCDSB website starting at 9 a.m. on Friday, Dec. 1 until 4 p.m. on Friday, Dec. 15. For more information regarding French Immersion, visit www.scdsb.on.ca, then select 'elementary', and 'French as a Second Language'.

Fire Prevention Week is Oct. 8 to 14

This year, the 2023 Fire Prevention Week theme, 'Cooking safety starts with YOU. Pay attention to fire prevention™', works to educate everyone about simple but important actions they can take to keep themselves and those around them safe when cooking. For more information about Fire Prevention Week and this year's theme, along with a wealth of resources to help promote the campaign locally, visit fpw.org.

Parents' Guide to Assessment, Evaluation and Reporting

Learn to navigate the world of assessment, evaluation, and reporting with this new guide for parents/guardians. Created to support parents/guardians understanding of assessment, this guide was designed to effectively empower you to actively engage in your child's educational journey. The guide has been posted to the Simcoe County District School Board's website and can be accessed via the following link: <https://tinyurl.com/2urcm2tm>.

Licensed PA day and holiday school-age child care programs

Child care programs for children in Kindergarten to Grade 6 are provided by independent, third-party child care operators in some SCDSB schools. To support your child care needs, some operators offer child care on PA days and holidays including over the Winter Break, March Break, and during summer holidays. Registration in advance is required. Please contact the child care operator directly to discuss fees and to register.

Have you met Sora?

Our digital ebook/audiobook collection contains over 4,000 titles waiting to be checked out by our SCDSB students. Students simply download the app, use their SCDSB login and start reading for free on their phone or tablet. The collection can be accessed at: meet.soraapp.com.

Interested in learning more about the ways that the SCDSB supports students with special education needs and their families? Join us for a virtual special education outreach series

The Simcoe County District School Board (SCDSB) is hosting virtual special education outreach sessions to assist parents/caregivers in learning more about programs, supports, and ways that we work together to support students with special education needs.

The first session, *IEPs and school-based assessments – information for parents/caregivers*, will be

THE PHOENIX FLYER – OCTOBER 2023

held on Oct. 24 from 6:30 to 7:30 p.m. This virtual presentation will include an opportunity for participants to share some of their questions regarding IEPs and special education programming.

Participants are asked to register in advance. Information to access the sessions will be shared via email with individuals who have pre-registered. Learn more about upcoming sessions and how to register on the SCDSB website:

www.scdsb.on.ca/elementary/special_education/special_education_outreach_sessions.

Join us! A learning series for parents/guardians with Pine River Institute

Mental health and well-being continues to be a key strategic priority within the SCDSB. We are pleased to continue our partnership with the Centre for Family Initiatives at Pine River Institute (CFI@PRI) to provide several curated learning sessions focused on student mental health and well-being to SCDSB families, staff and within the SCDSB's broader school communities.

There are eight webinars in the learning series specifically planned for parents/guardians and other caregivers during this school year.

Oct. 26, 2023	Understanding and managing screen time, part one - gaming edition
Nov. 9, 2023	Understanding and managing screen time, part two - social media edition
Nov. 30, 2023	Helping parents align
Jan. 11, 2024	Sleep hygiene
Feb. 8, 2024	Self regulation for kids
Feb. 22, 2024	Self regulation for teens
March 28, 2024	Building parents' resiliency
April 18, 2024	Vaping, weed, and alcohol

We hope you save these dates in your calendar and join us for these learning opportunities. For more information and to register, please visit the SCDSB website: <https://bit.ly/3jGaC74>.

Pine River Institute is a live-in treatment centre and outdoor leadership experience for youth aged 13 to 19 struggling with addictive behaviours and often other mental health issues. Combining therapy with a fully-accredited education program, PRI reinforces the healthy life skills required for a successful future. CFI@PRI extends PRI's knowledge, experience and evidence-informed treatment approach to families and care providers in the community to support youth mental wellness and prevent the need for more intensive interventions. Learn more about PRI by visiting their website at www.pineriverinstitute.com.

Supporting your child with math

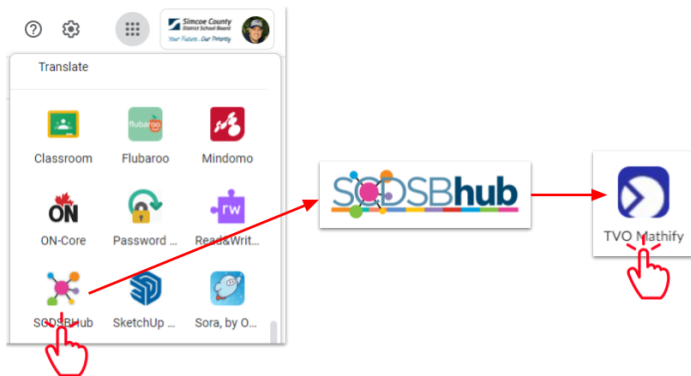

Are you curious about how you can support your child's growth as a mathematician? Visit the Parents Guide to Mathematics at www.ontario.ca/page/new-math-curriculum-grades-1-8, where you can find a summary of the knowledge and skills your child will be learning as they progress through the grades, information about how you can support your child's learning, and how the curriculum was developed.

THE PHOENIX FLYER – OCTOBER 2023

TVO Mathify offers free 1:1 online Grade 4-12 math tutoring to SCDSB students. Connect with an Ontario Certified Teacher of your choice. It is anonymous and secure, and can be used from a phone, tablet, or computer. Math tutors are available from 9 a.m. to 9 p.m. ET Monday to Friday, and 3:30 to 9 p.m. ET Sunday.

All SCDSB students from Grades 4-12 have been pre-registered for this amazing service. For quick access to TVO Mathify:

1. Find the link in your child's Google waffle to the SCDSBhub.
2. Look for the TVO Mathify icon on their dashboard.

Your child will not need to enter their OEN number or any identifying information when TVO Mathify is accessed through the SCDSBhub.

Revised 2023 Ontario Language Curriculum

Beginning this school year, all language programs for Grades 1-8 will be based on the expectations of the revised Ontario Language Curriculum. The Ontario Curriculum, Grades 1 to 8: Language, 2023 outlines the knowledge and skills required for effective reading and writing, listening, and speaking so students can succeed at school and beyond. The curriculum has been revised partly in response to the recommendations outlined in the Ontario Human Rights Commission's Right to Read public inquiry report.

The 2023 curriculum now includes four strands:

1. Literacy Connections and Applications
2. Foundations of Language
3. Comprehension: Understanding and Responding to Texts
4. Composition: Expressing Ideas and Creating Texts

For more information, visit www.dcp.edu.gov.on.ca/en/key-changes-language to view a guide for parents/guardians on the Ministry of Education website
